Westlake Reed Leskosky

promotes the following individuals in recognition of their design and technical excellence, superior execution, and business administration that enhance the firm’s fully integrated services and thought leadership.

Omar Hawit, PE, LEED AP
Associate Principal, Manager of Mechanical Engineering
Washington, DC
Joined WRL: Nov. 2009 | California Polytechnic State University, Bachelor of Science in Mechanical Engineering
Omar contributes to signature projects for cultural, government, and university clients and the firm's sustainable design and public web site www.recool.com. His leadership serves local ASHRAE, IBPSA, and organizations such as Future Cities, Discover Engineering, National Engineering Week, Hands on DC and DC Green Schools, for which he was awarded regional ASHRAE Flicker of Light.

Matthew A. Janiak, AIA, LEED AP
Principal, Project Designer/Director
Cleveland
Joined WRL: Dec 1998 | Kent State University, Bachelor of Architecture and Bachelor of Science
Matt leads and is responsible for the day-to-day operations of Westlake Reed Leskosky’s Cleveland Studio. In his tenure with the firm, he has led a variety of complex, diverse and award-winning work, including historic restoration, performing arts facilities, museums, medical, secondary and higher education projects, for clients including GSA, PlayhouseSquare, and Oberlin College.

Peter W. Rutti, AIA
Principal, Director of Design Phoenix Studio
Phoenix
Joined WRL: Jun 2012 | University of California LA, Master of Architecture; University of Arizona, Bachelor of Architecture
Peter advances the design studio culture and portfolio in Phoenix, fostering collaboration and inspiring design; bringing his academic involvement and a specialty on high profile performing arts that resonate with audiences and communities, from Colorado’s Avalon Theatre to cultural projects in Beijing and Shanghai.

Ruth Albertelli, RA, CSI, CCS
Associate Principal, Director of Specifications
Cleveland
Joined WRL: 2001 | Ohio State University, Master of Architecture; University of Dayton, Bachelor of Science
Ruth, firm-wide Director of Specifications, is recognized for her commitment to Quality Assurance, technical guidance and integration on sustainable and creative environments, and significant work for clients including the Federal Reserve Bank of Cleveland and GSA, such as the LEED Platinum renovation of the Aspinall Federal Building and U.S. Courthouse in Colorado.

David M. Combs, AIA
Associate Principal, Project Director
Phoenix
Joined WRL: Sep 2007 | Ball State University, Bachelor of Architecture and Bachelor of Environmental Science
David applies his diverse professional experience spanning the entire spectrum of the design and construction industry, and ensures design and technical excellence for complex projects including a cultural arts project in Gabon, Africa, and various healthcare facilities for clients such as the Veterans Administration.

Christopher B. Tilton, LC, LEED AP, Assoc. IALD
Associate Principal, Lighting Designer, Theatrical Specialist
Cleveland
Joined WRL: 2011 | Virginia Tech, Bachelor of Arts in Theatre Arts, Emphasis Lighting and Technical Theatre
Chris employs an open-minded approach to integrated design, fusing applied experience and technical expertise into thoughtful design solutions for performing and cultural arts, public assembly, academic, institutional, and government venues. Chris’ passion drives his commitment to projects large and small, with recent clients throughout the USA, as well as Gabon, Taiwan, and China.

Patrick James Hyland, Jr., AIA, LEED AP
Associate Principal, Architect
Cleveland
Joined WRL: 1997/2004 | Yale University, Master of Architecture; Pennsylvania State University, Bachelor of Architecture
Patrick delivers successful planning and design to significant clientele such as Pro Football Hall of Fame, Cleveland Browns and premier academic institutions as Penn State and Mount Union, and develops thought leadership initiatives through educational presentations to professional organizations such as the Society for College and University Planning.

Jason A. Majerus, PE, CEM, CxA, LEED AP
Associate Principal, Lead Mechanical Engineer
Cleveland
BD+C
Joined WRL: Jun 2013 | Syracuse University, Bachelor of Mechanical Engineering
Jason enhances the firm's integrated design approach through his mechanical engineering design leadership, diverse experience including project design, energy analysis, specifications, construction administration and commissioning, and his development of protocols and staff.

Jason A. Majerus, PE, CEM, CxA, LEED AP
Associate Principal, Lead Mechanical Engineer
Cleveland
BD+C
Joined WRL: Jun 2013 | Syracuse University, Bachelor of Mechanical Engineering
Jason enhances the firm's integrated design approach through his mechanical engineering design leadership, diverse experience including project design, energy analysis, specifications, construction administration and commissioning, and his development of protocols and staff.
