

Westlake Reed Leskosky Announces 2015 Promotions

CLEVELAND, OH (March 2015) – In its 111th year of operation, Westlake Reed Leskosky continues its tradition of design and technical excellence led by its talented and dedicated staff. In recognition of outstanding performance and contributions that enhance the firm's fully integrated services and thought leadership, Westlake Reed Leskosky promotes the following individuals:

Principal

Shawn P. Carr, PE
Principal, Director of Structural Engineering
Cleveland

Joined WRL: Nov 2005 | The Ohio State University, Bachelor of Science in Civil Engineering, Double-Major in Structural Engineering and Construction Management

Shawn's diverse professional experience spans the structural design of healthcare facilities, theatres, commercial, industrial and educational facilities. He enjoys creating simple yet innovative solutions to structurally challenging designs. In addition to engineering design solutions, Shawn leads the firm's structural engineering discipline in quality control, engineering scheduling and staff allocation.

Radames Cocco, PE, LEED AP
Principal, Director of Electrical Engineering
Phoenix

Joined WRL: Mar 2009 | Arizona State University, Bachelor of Science in Electrical Engineering

Radames enhances the firm's integrated design approach through his Electrical Engineering design leadership. He provides diverse experience working with Architects, Owners, Managers and Contractors to design electrical power systems to suit clients' current and future needs; and the ability to communicate the benefits of robust electrical systems, as well as the compromises inherent in cost-saving decisions.

Associate Principal

Mitchell J. Clemente, CPD
Associate Principal, Director of Plumbing Engineering
Cleveland

Joined WRL: Jul 2006 | Lakeland Community College, Associates Degree in Industrial Engineering

Mitch is recognized for his commitment to innovative mechanical engineering design and oversight for quality assurance and quality control, as well as his contributions to the field of Plumbing Engineering. He serves as President of the American Society of Plumbing Engineers (ASPE), Vice President on the ASPE Research Foundation Board of Directors and is a member of a number of other ASPE (CPD) committees.

**LEADERSHIP
CREATIVITY

Associate

Christopher Block, RA
*Associate, Proj. Architect/Quality Control Leader
Cleveland*

*Joined WRL: 2005 | Kent State University,
Bachelor of Architecture and Bachelor of Science*

Noted for design and technical excellence, Christopher's versatility encompasses typologies at all phases of design, including construction documentation, planning, project management and construction administration. Significant clients include Cleveland Clinic, the Veterans Administration and the University of Mount Union.

Emily Davidson
*Associate, Marketing Writer
Cleveland*

*Joined WRL: Dec 2005 | Williams College,
Bachelor of Art in English; Case Western
Reserve University, Master of Art in Art History*

Providing strong leadership, Emily drives the firm's marketing and proposal initiatives. As an accomplished writer, she crafts effective materials and successfully gives 'voice' to the firm and its award-winning portfolio. She is the force behind many of the firm's successful solicitations.

Mark K. Morris
*Associate, Architectural Designer
Cleveland*

*Joined WRL: 2012 | Columbia University, Master
of Science in Advanced Architectural Design;
Kent State University, Bachelor of Architecture
and Bachelor of Science,*

Mark's passion for design processes results in achievements and involvements from project conception and graphic representation to completion, including work on award-winning commissions and competitions for clients such as Hawken School and Point Park University.

Jason Turnidge
*Associate, Architectural Designer
Cleveland*

*Joined WRL: Nov 2012 | University of
Pennsylvania, Master of Architecture; Kent State
University, Bachelor of Architecture and Bachelor
of Science*

Jason's collaborative explorations in design and making contribute to consistently successful designs for a number of significant clients, including Cleveland Clinic, Kent State University and Oberlin College. His work has won more than a dozen design awards and has been exhibited throughout Ohio.
